Nominate a legend today!

Welcome back to Sologinkin Oval. I would to extend a warm welcome to Sunshine Coast Fire players, coaches and fans to the nest this weekend.

After the disappointment of our first round defeat to Brisbane Strikers and sadness of the floods and turmoil facing so many in Brisbane over the last few weeks, it is nice to get back on the field and get back to doing what we love so much.

We are looking forward to the challenge that Sunshine Coast Fire bring this evening and I ask once again for the City of Mackay to get behind the team this season and be our 12th man. The players, coaching staff and I are very grateful for the support shown so far and the fact no one left till the final whistle last time out shows that our team can bring some pride to the Mackay Region. Tonight we are hoping to go one better and give you all something to cheer about.

I hope you enjoy the game and create an atmosphere like no other.

Together we are stronger

Let's go MCU!!

After a disappointing start and some postponed matches, Magpies Crusaders are ready to atone from their first round loss to the competition favourites Brisbane Strikers. MCU have been tightening up their defence and have the knowledge that few teams will score 3 goals in any match against the Strikers. Tony Goweid with 2 goals and Gus McKenzie with 2 assists were positives in attack for the locals.

Our opposition tonight have strengthened their side all over the park with Former Melbourne Victory keeper, Jarrad Tyson, their marquee signing. Mitch Speer (Sydney United 58 and Sydney FC Youth team), Luke Devitt (Moreland Zebras) and Alex Barlow (Olympic) add experience to a team on the up. Prolific scorer (173 goals in 152 matches in the Brisbane Premier League) could be on to watch. MCU will look to dominate the game at home with the leadership of Junya Yabe, Dan Simic, Delors Tuyishime, Liam Shipton and Michael Lyall important for a local victory.

Prediction:

Magpies Crusaders 2 v 0 Sunshine Coast Fire in a close fought game
